

PRESS RELEASE

FAMILY HOLIDAY IN PARADISE

Zimbali Coastal Resort is the Destination of Choice this Easter

Ballito, 22 March 2013

Zimbali Coastal Resort, Kwa-Zulu Natal's premier lifestyle estate and leisure resort outside Ballito on the North Coast, is the destination of choice for families during the upcoming Easter holidays. With breathtaking views of shimmering sea and spectacular natural forest surrounds, two world-class hotels, a championship golf course, and an exciting Easter holiday programme for the kids, Zimbali Coastal Resort holds the key to the tranquillity and peace, as well as fun and excitement needed for an unforgettable family holiday.

Families will enjoy complimentary access to a variety of five-star facilities and recreational activities, including the opulent Valley of the Pools with panoramic views of the warm Indian Ocean, tranquil lakes and flowing waterfalls. Plus, the endless stretch of the secluded Zimbali beach, the Bushbuck Clubhouse and Pools with waterslides, kick-about fields, tennis courts, and squash courts, means that visitors will have no shortage of fun things to do.

From Monday 25 March until Friday 5 April, the Zimbali Coastal Resort will keep young guests entertained for hours on end with an exciting range of fun-filled activities and events, including the ever-popular Easter Egg Hunt. Children can look forward to a supervised, scintillating adventure of daily activities such as Face-Painting, Cupcake-Decorating, Pin-the-Tail-on-the Bunny, Sand Art and Easter Crafts, to name a few.

Parents and children can enjoy a walk together on one of the Nature Trails within the estate and explore one of the last remaining natural coastal forest reserves in South Africa, where bird watching is enviable and indigenous wildlife abundant with shy Blue Duiker and families of Bushbuck wandering through.

With lots of activities to keep the kids entertained, Mom and Dad can delight in a paradise of their own, be it with a round of golf on the enthralling 18-hole, par 72, Tom Weiskopf-designed

golf course, or a spa treatment and pampering to restore their energy at the Willow Stream Spa. Zimbali also boasts a choice of family-friendly dining experiences and modern entertainment venues, offering a broad range of appetising options to tantalise the taste buds, with a selection of light to full-course meals, children's menus, local delicacies and ethnic dishes.

There are plenty of sightseeing opportunities on the North Coast, including 1000-year-old battlefields; nature reserves and Big 5 game reserves; numerous golf courses; two casinos; a variety of adventure activities; dolphin- and whale-watching; the popular attraction, uShaka Marine World; and the shoppers' paradise, the Gateway Theatre of Shopping, all within easy driving distance.

Zimbali's Golf Course is rated by Golf Digest magazine in the top twenty-five in South Africa, as well as one of the top five golfing experiences in South Africa for service excellence and a phenomenal golf offering. Visitors can choose between two world-class hotels: the Fairmont Zimbali Resort and Fairmont Zimbali Lodge; or an array of Zimbali Holiday Rentals, from lavish beachfront villas to golf vista hideaways. With magnificent forest and ocean views, convenient access to the secluded Zimbali beach and with King Shaka International Airport just ten minutes away, Zimbali is the perfect holiday destination for groups of friends and families in search of a secure, tranquil, peaceful, fun and exciting vacation.
